

## Water

Our tried and tested Water fire extinguishers include both the 6L (complete with spray nozzle) and the 9L (Jet Nozzle only). Water extinguishers are very popular for indoor use to fight Class A type fires without additional chemicals or additives. The water can freeze in low temperatures during winter so if used outside should ideally be stored in cabinets to protect against the elements.

### Key Benefits

- 5 year warranty
- Marine Equipment Directive Approved on 9L version
- 6L version has passed the 35kv electrical conductivity test

6L Spray Nozzle

9L Jet Nozzle

Hanging Bracket

Code	6WX	9WX
Capacity	6L	9L
Fire Rating	13A	21A
Charged Weight	9.3Kg	13.5Kg
Operating Pressure	12 BAR	12 BAR
Discharge Time	31s	55s
Height Of Ext.	520mm	580mm
Diameter	161mm	183mm
Width Of Ext.	181mm	193mm
Discharge Distance	5-6m	5-6m
