

Wet Chemical

Wet Chemical extinguishers have been specifically designed to fight Class F type fires for burning oils and greases in kitchens. They can also be used on solid combustible fires. We manufacture two sizes – the 3L version which can be used in smaller kitchens and mobile food outlets and the 6L with better performance for larger commercial kitchens.

Key Benefits

- 5 year warranty
- 6L version Marine Equipment Directive Approved
- Applicator lance for safer extinguishing, supplied as standard
